

ELEGIDO

ELEGIDO

*Tempranillo
Merlot*

Elegido – Tempranillo Merlot is our classic high quality wine made with care and dedication. Selected vines are harvested from some chosen terrains. Vineyards located at 500 meters of altitude with poor soils and low production are selected for this wine.

Each variety is fermented separately on their own skins in stainless steel tanks at a controlled temperature of 26 °C – 28 °C in order to maintain the floral notes from its varieties.

After the coupage this wine is aged for 12 months in American and French oak barrels and ends its vintage in the bottle until it acquires its exceptional bouquet

Elegido Tempranillo - Merlot has an intense ruby red cherry colour with garnet hues. At the nose its aroma is intense and reminds ripe red fruits, spices and mineral with toasty notes. In the mouth it is full but fresh and tasty. Its aftertaste is long and silky.
